Legacy of apartheid

- ▶ Psychological testing was used to justify the system of 'bantu' education

Culture fair testing still an issue

Eligibility issues in SA

- ▶ **Access to the accepted tests**
 - ▶ Norms
 - ▶ Language
- ▶ **Payment of psychologists for testing**
- ▶ **Willingness of psychologists to test**
 - ▶ Challenge with AB sections
- ▶ **No adaptive behavior scale**
- ▶ **Very often poor collateral information**

Eligibility issues in SA

- ▶ We are working to improve the system!!
- ▶ **Developing a network of psychologists in each province that understand the testing process and are willing to help the athletes**
 - ▶ Have psychologists in most provinces, but generally on in the major cities
 - ▶ Run a number of workshops with provincial presidents and administrators to explain the system

International Eligibility Panel

- ▶ Are busy times, but generally not difficult to keep up with applications
- ▶ **Most difficulties still are in Adaptive Behaviour (and developmental history/ collateral information)**
- ▶ Overall applications are good – but as the deciding committee rather be cautious and ask for more information if not sure
