

SECTION 4: POLICIES

4.22 Neutral Athlete Policy

1 INTRODUCTION

- 1.1 Unless otherwise stated in the Entry Information, entry to Virtus events is strictly restricted to athletes and teams who are endorsed by Virtus Member Organisations. Such organisations will be in good standing with Virtus and will have observed all policies and procedures in respect of entry.
- 1.2 However there are circumstances where Virtus may consider receiving entries from athletes and teams who cannot meet this criteria due to extenuating circumstances. Such circumstances may include athletes from nations who are affected by war, poverty, unfair and inequitable selection of athletes (for example nations who discriminate against female athletes), where the member organisation is suspended, or where it is deemed that there is little or no opportunity to form a member organisation.
- 1.3 This policy provides an overview of the circumstances in which Virtus may permit an athlete or team of athletes to compete on a neutral basis where normal entry criteria cannot be fulfilled.
- 1.4 All decisions made under this policy will be made on a strictly case by case basis and a decision for one athlete does not set or form precedence for a subsequent athlete, even where the circumstances may appear similar.
- 1.5 All costs associated with an event entry made under this policy (including but not limited to athlete eligibility and assessment, kit and equipment, travel and event entry) will be met by the athlete or team concerned. Virtus and event organisers will not be liable for any costs arising from an event entry.
- 1.6 Virtus will waive the eligibility application/annual licence fee (as set out in the Fee Schedule) for athletes entering Virtus events under this policy.

3 NEUTRAL ATHLETE RULES

If more than three Neutral Athletes achieve the Entry Standard, the three who have achieved the best qualifying performance or ranking place will be accepted.
- 3.2 Virtus will confirm the participation of all Neutral Athletes in writing having first verified their qualification status. In confirming the participation of any Neutral Athlete, Virtus may impose such conditions on their participation as it sees fit, including but not limited to the signature of a Neutral Athlete Agreement.
- 3.3 Each Neutral Athlete must be accompanied by a least one person who is accredited for the period of the event and is legally and financially responsible for the athlete. Virtus may at its discretion require further information to be provided about any nominated person before it gives its approval.
- 3.4 Neutral Athletes shall participate in the uniform clothing approved by the Virtus. This will include plain sports clothing with either no emblem or the Virtus emblem. Kit is available from Virtus, however this is at the cost of the athlete.
- 3.5 Neutral Athletes shall be represented at the Opening Ceremony and in all materials, programme etc by the name 'Virtus Neutral Athletes'. Neutral athletes will compete under the Virtus flag.
- 3.6 Medals shall be presented to the first three placed athletes in each individual event which may include Neutral Athletes. If a Neutral Athlete is the first placed athlete in an event, the Virtus anthem shall be played instead of the anthem of the Neutral Athlete's country.
- 3.7 Neutral Athletes and their accompanying persons are expected at all times to demonstrate the highest standards of behaviour at the event both on and off the field of play.
- 3.8 No national colours, flag, name (in any language or format) national emblem or other national symbol of the country of the Neutral Athlete shall be displayed by the athlete or their accompanying personnel
